Dr. Frederick Li, DMD, FICOI

Dr Fred Li is a fellow of the International Congress of Oral Implantologists as well as an associate fellow of the American Academy of Implant Dentistry. He limits his practice to implant surgery and prosthetics in Vancouver and mentors a large study club on surgical implant dentistry and implant prosthetics.

COURSE OBJECTIVES:

- Gain proficiency in diagnosis and treatment planning
- Master the restorative steps for a posterior dental implant
- Transform restorative decision-making and execution into a simple, easy process
- Learn how to avoid or manage complications
- Learn how to gain patient acceptance for dental implant treatment

SESSION 1

TUESDAY APRIL 07, 2020 (6PM - 9PM)

Indications and contraindications for implants / Cement vs. screw-retained restorations / Options for replacing a missing tooth / Diagnosis & treatment planning / Finding patients & gaining treatment acceptance / Informed consent

SESSION 2

TUESDAY APRIL 21, 2020 (6PM - 9PM)

Surgical guides / Biomechanics & occlusion for implants / Instruction for surgical preparation / Impression techniques Hands-on restorative workshop
